MESSAGE FROM PRINCIPAL GLEN READ

Dear Parents and Carers,

Well the term is very quickly coming to a close and next week on Wednesday the student Reports will be sent home via Connect so if you are not already on Connect please contact the front office staff and talk to Kerrie Dann about placing you on Connect. When the reports come home it is an excellent time to talk your child about how they are travelling at school and how much progress they have been able to make over the course of the semester. Please keep in mind that not everyone learns, and retains information at the same rate. Please be positive and encouraging so that your child wants to achieve more and please their parents.

If you need to talk to your child's teacher about the report please contact the teacher and make a time to meet and discuss your child's report. It is always good to make a time to meet with your child's teacher and find out more about how they are working and interacting in the classroom.

I was very pleased with the way our students participated in the Faction Cross-Country Carnival and how everyone gave it their best and participated with a real can-do attitude. Well done to all the students for all they did to help their faction gain faction points. Thank you to the carnival organisers Mr Scotland our PE teacher and Mr Riley our Music specialist who always does a great job of providing the music and PA systems that make the carnival possible. Mr Riley was operating this year with a very much trimmed down system as he lost about \$16 000 worth of equipment in the fire of Term 1. It was great to see lots of our parents supporting the students as they ran. Well done to all those who participated. The spectators were so well behaved, and it was enjoyable to see students barracking for their team with gusto and enthusiasm.

I would like to take this opportunity to wish everyone a safe and happy holiday and hope everyone returns to school rested and refreshed ready for another good term.

Kind Regards

Glen Read
Principal

MESSAGE FROM ASSOCIATE PRINCIPAL CAROLINE CHURCHILL

'ahlan

hello

Welcome to our week 9 newsletter

Assembly

goes to B4 for their amazing assembly item on

Around the World

Thank you to Mr Carlson and all the students for helping us all to remember to promote unity and continue to foster a strong recognition of inclusivity in our community

At Yale we proudly recognise and celebrate diversity. Diversity is the practice or quality of including or involving others regardless of background, gender or family origins

DID YOU KNOW that over 21% of our student population speak a language other than English at home?

Office Superstars

Office Superstars

We love students succeeding at Yale and these fabulous learners came to the office to share their success. Big smiles and lots of stickers always make for a great day.

MESSAGE FROM ASSOCIATE PRINCIPAL CAROLINE CHURCHILL

Attendance

B4 were the very excited class who won the prestigious title of highest attendance rate for the fortnight. At 94.2%, they really did shine. I wonder how they will celebrate their achievement? If you are well, we want you at school, every day, on-time. Thank you to all our families who contact the school when their child is absent. We appreciate your support.

NEWS AROUND THE SCHOOL

STEAM

In A1 and A2 during STEAM we created Coffee Filter Earth pictures for World Environment Day. We experimented with the different mediums but using a coffee filter for our 'canvas', water colour markers and a toothbrush to create the night sky. It was so much fun to watch the colours we put on the coffee filter blend together when we sprayed it with water.

Spelling Bee

Year level finalists were announced on Wednesday and the grand finale' was held today. Congratulations to all our students for participating and trying their best. The Spelling Bee finalists will be presented with their award during the assembly in week 10

PBS

Our behaviour reward day is coming soon and we are excited to have a fabulous incursion planned.

Keep up the positive behaviour everyone.
This is an incursion you don't want to miss!

Cross Country

On Monday our students participated in the Yale cross country events. I was really impressed with the student's attitude and behaviour and the fabulous way they encouraged each other. Thank you to Mr Scotland for organising this successful event and thank you to teachers and education assistants who have helped the students prepare for the big day.

GOLD FACTION

Congratulations to the overall winning faction on the day

With only 5 school days to go I would like to take this opportunity to wish you all a happy and healthy school holidays

EC2

Three little pigs

In Pre Primary for our talk for writing we have been learning about the three little pigs. We were able to sequence the story and start to talk about who a character is in a story. We had so much fun making these houses and now we get to play with them. We really like being the big bad wolf and saying 'let me in!'

SCIENCE

Another year of of winter planting at Aylesford Reserve by year 6 students.

The reserve is very precious for our area.

Thanks again to City of Gosnells and Landcare for supporting our yr 6 students in their year long community and environment project each year!

The Reserve is looking amazing!

NEWS AROUND THE SCHOOL

We love it when we have teachers come visit!
This week we had Mrs Kickett visit the Science room during lunch time.

WONDER

RECYCLING

Welcome to Wonder Recycling Rewards for Schools.

Wonder recycling rewards is a fun and easy program we've created to collect and recycle bread bags at school. Once collected, Wonder is going to turn the plastic into wonderful things like play equipment.

And as Yale Primary is a registered school, our recycling efforts will earn us rewards points to redeem new sports equipment from RHSports. The collection boxes will be placed around the school and / or families can give the bags to the teachers to be placed into the collection boxes.

So come on Yale families, let us help the planet and our school by recycling the Wonder bread bags.

We thank you all for your efforts.

Yale Primary School P&C

A big thank you to all the parents and family members who attended our AGM on Monday 13th June. We had many parents join who have never been part of the P&C before and was great to hear from so many fresh voices! Thank you for giving your time to attend.

Our newly elected executive committee consists of:

President – Yolanda Honey

Co Vice Presidents: Jen Groves and Indra Thompson

Secretary: Kristin Perry

Treasurer: Tamara Sinclair

We welcome all new members to the P&C and our meetings are always open to any parents or family members who wish to attend. Our next general meeting will be held early in Term 3 with details announced soon.

As Term 2 is nearly at an end, we will be holding a Free Dress Day on Friday 1st July which will be a “Comfy Day” – wear your comfortable clothes and relax into the July holidays! P&C members will collect a gold coin donation from classroom teachers on the day, so please support the P&C by bringing a gold coin donation.

For Term 3, we plan to hold a Disco (more details to be announced soon), a book sale, and our Annual Father’s Day stall. We will be looking for volunteers for all these events, so please let us know if you are able to help.

We would also like to take this opportunity to thank Lakers Tavern for their support. Lakers Tavern support local communities and after they heard of the fire that destroyed one of our buildings we were approached by the manager. They held a meat raffle which raised \$1582.00 and next week they will be holding a Tapas night to which they will donate the proceeds. Thank you Lakers for your generosity and support.

The P&C thanks you for your support!
