Parent Open Night
(with free sausage sizzle)

Friday 4 November

Colour Run 2pm

MESSAGE FROM PRINCIPAL GLEN READ

Dear Parents and Carers

As Term 3 draws to a close I would like to take this opportunity to thank all those who have made a positive contribution to the school throughout the term and of course there are too many to mention you individually. Thank you to staff, parents and students for making the Sports Carnival a success. Thank you to Mr Scotland and his team for their efforts in organising and running the carnival. Somehow Mr Scotland always seems to be able to choose to run the carnival when the weather is favourable. Well done to the students who were so well behaved on the day of the carnival. You are a credit to the school and your parents.

I would also like to wish everyone a safe and happy holiday and look forward to seeing you all when you return to school for 4th and final term.

Glen Read

Principal

MESSAGE FROM ASSOCIATE PRINCIPAL CAROLINE CHURCHILL

InshaAllah
Hello

Assembly

Thank you to Mrs Kickett and the amazingly talented drummers of C5. They rocked us with the classic song "We will rock you", at our assembly on 26th of August. It was entertaining and a fabulous item to sing along to. Thanks also to Mr Riley for his work with the class.

Exciting news: our next assembly is in week 10 on Friday 23 September. Our hosts will be EC1 and EC2. We look forward to seeing our pre-primary students perform in their first whole-school assembly.

Learning Incursions

Thank you to Karri Pitts for her amazing Forensic and Chemistry Investigation for the PP-6 students. The Year 4-6 students and teachers enjoyed discovering how science involves making predictions and describing patterns and relationships then the PP-3 students learned about properties of materials and how different materials can be combined for a particular purpose.

PBS reward day

In week 10 of this term we will celebrate our famous PBS reward day to thank students who follow our positive behavioural expectations at school.

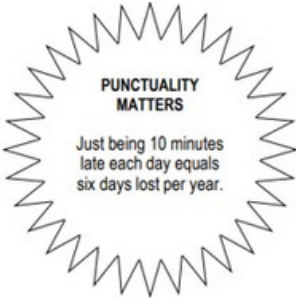

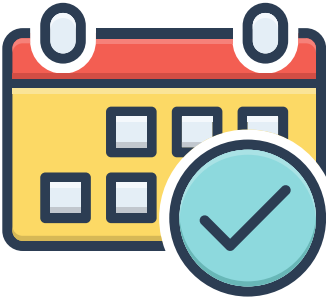

"Behaviour expectations are designed to ensure students are safe and have a clear understanding of the expectations on them as learners. Learning habits are used to support students with the day to day practicalities of school life"

<https://www.dixonsco.com>

We have a whole-school celebration every 5 weeks. I wonder how we will be celebrating this Friday.

Attendance

Did you know that.....

If a child misses ...	That Equals ...	That Equals ...
1 day per term.	4 days per year	1 term from pre-primary to Year 12
1 day per month	10 days per year	3 terms from pre-primary to Year 12
1 day per fortnight	20 days per year	1¼ years from pre-primary to Year 12
1 day per week	40 days per year	2½ years from pre-primary to Year 12
2 days per week	80 days per year	Over 5 years from pre-primary to Year 12

Thank you to those families who let the school know when their child is away

Thanks to our school community’s commitment, our attendance rate is improving. Hopefully with some more sunshine, and less colds and tummy bugs, we will soon be celebrating a consistent regular daily student attendance of 92+%

Office Superstars

We have seen some amazing work this fortnight. Thank you to the students who visited the office to share their learning with us.

SUPERSTAR

MESSAGE FROM ASSOCIATE PRINCIPAL CAROLINE CHURCHILL

Only one week to go.

Thank you to all our Yale staff and students for your hard work this term.

Have a safe and restful holidays

Kind regards,

Caroline Churchill

Associate Principal

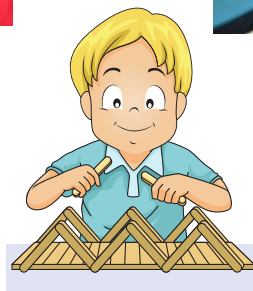

NEWS AROUND THE SCHOOL

A1 & A2

On Thursday A1 and A2 acknowledged Roald Dahl Day. We have been reading Charlie and the Chocolate Factory in class and so decided to stick with that theme. We had a lot of fun making Rocky Road and building structures with toothpicks and Jubes.

EC1 & EC2

*CHEERS
to the
BEST DAD!*

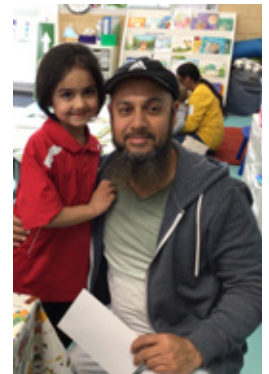

*Father's
day*

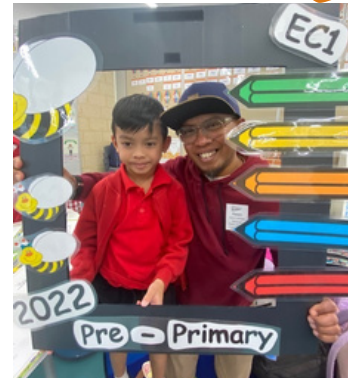

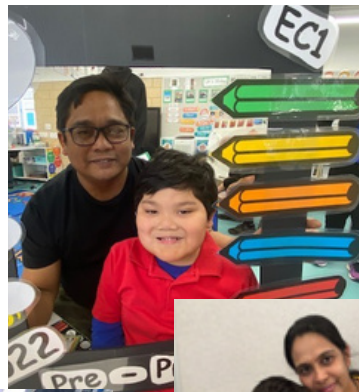

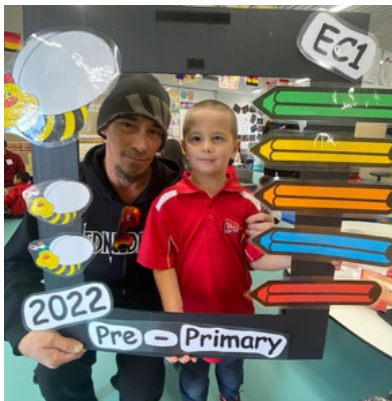

PP celebrated fathers day and welcomed the fathers or father like role models into the classroom. It was a special day doing activities, showing their workbooks and taking them around the room and showing their work that had been put up. Such an enjoyable afternoon."

YALE P&C NEWS

Thank you to all the volunteers and for everyone who made a purchase at our annual Father's Day stall that was held two weeks ago. We made a profit of \$1176.33! We hope you all had a wonderful Father's Day!

Our next major exciting event will be a Colour Run to be held on Friday 4th November 2022 at 2pm on the Senior Oval. Students will need to bring a white shirt to wear during the event, and we will be using non-toxic, biodegradable colour powder. Students with asthma should carefully consider their participation.

Students will be asked to fundraise for this event and will be provided with a sponsorship booklet explaining how to set up an online profile page or can collect cash donations, which must be submitted to the canteen by Thursday 3rd November. There are prizes for every student who raises money, so please ensure you read through the booklet to find out what you can earn.

We will also be holding a "Wear Your Favourite Team Colours" day on Wednesday 21st September. The P&C will be collecting gold coin donations on the day.

Our next meeting will be held on Monday 17th October 2022 at 3.15pm in the Shed to finalise the details and planning for the Colour Run. If you would like to attend please email yalepandc@hotmail.com or jump on our Facebook page and keep an eye out for the post.

The P&C thanks you for your support!
